## Deferred Registration Policy

*Admissions Component: Policy #AD-05*

*Supersedes: none*

*Lead Writer: unknown*

*Approved by Admissions Committee: March 1, 2005*

*Revisions: none*

Requests for deferred registration will be considered by the Admissions Committee from highly qualified students wishing to complete the requirements for their undergraduate or graduate degree before enrolling in the School of Medicine. A maximum of ten students wishing to complete the requirements for their undergraduate or graduate degree may be accepted for deferred registration. Requests for deferral will be considered as they are received and must be received by 1 August of the year of acceptance to be considered. Normally, deferred registration will be granted for one year.
