

**School of Medicine  
Postgraduate Medical Education  
Education Advisory Board: Terms of Reference**

A. **Mandate:**

The Education Advisory Board (EAB) is a special committee convened by the Associate Dean, Postgraduate Medical Education (PGME), responsible for assisting programs with academic planning for residents in need.

B. **Policy References:**

Queen's Postgraduate Residency Program "Assessment, Promotion and Appeals Policy".

C. **Major Responsibilities:**

The EAB:

- is advisory to Residency Programs and the Associate Dean, PGME in addressing residents in academic difficulty.
- **must** review all remediation and probation plans for residents in academic difficulty.
- will review and provide recommendations relating to:
  - (a) the process by which the need for remediation or probation was determined, and
  - (b) the quality of the proposed remediation or probation plan.

D. **Access to Information:**

In all cases, members of EAB will have access to residents' files, including all performance information, other relevant documents and reports including without limitation assessments/recommendations of an independent process or board, such as the Academic Review Board (ARB).

All documents will be uploaded into the password protected EAB Elentra community.

E. **Membership:**

Chair: Director of Assessment and Evaluation, PGME (Ex Officio member)  
Director of Resident Wellness (Ex Officio member)  
Faculty Panel (minimum of six faculty members)  
Postgraduate Residents (Five)

- The committee should strive to include faculty and resident representation from a broad selection of specialties.

- Program recommendations for faculty and resident membership will be sought by the Chair in consultation with the Associate Dean PGME.
- Membership will be reviewed, and members appointed, by the Associate Dean, PGME in consultation with the Vice-Dean Education.

## **F. Functions:**

### Annual Review and Orientation Process

An annual meeting will be held each year. The focus of the annual meeting will be to provide opportunity to:

- Review EAB overall functionality and Terms of Reference
- Share lessons learned during the preceding year
- Orient in-coming members

### Individual Case Reviews

- Working Groups function as a distributed network.
- Working Groups will assume responsibility for reviewing individual cases.
- Working Group members will review case documentation, complete, and submit case review templates.
- The Chair assumes responsibility for writing case reports.
- Case reports are advisory to the Associate Dean, PGME and Residency Programs.
