

Inter-Professional Placement Evaluation
SEIPCLE IPE Student Entrance Questionnaire

The *IPE Pre Placement Student Survey* form asks students to provide information about their prior inter-professional experience. This can be used both for planning and evaluation of a placement.

Student Entrance Questionnaire for SEIPCLE

Background Information

The questions below ask about your expectations regarding the Interprofessional Placement Activities that you may engage in during this placement. Your answers will remain anonymous and help us to consider appropriate changes to the activities for future students.

1. In what profession are you currently training?

2. What is the name of your educational institution?

3. Briefly describe the types of past placements/experiences you have had (ie. acute care, rehabilitation, long term care, mental health, obstetrics, etc.).

Expectations of this Placement

4. Were you aware that this unit is developing into a Collaborative Learning Unit?

5. What influenced your choice of this particular unit for your placement?

6. What expectations do you have for this placement that are: similar to past placements? different from past placements?

7. What do you hope to learn from this placement?

8. Do you have any concerns about this placement? Please elaborate.

9. What makes you most excited about this opportunity?

10. Do you expect this placement will influence your future practice? In what way?
