

# Chief and Senior Resident Workshop

Thursday, March 22, 2018 Lower Ban Righ Hall

## Chief Resident

A senior resident physician who acts temporarily as the administrative director of the house staff in a postgraduate program. There may be an associated clinical responsibility with the position. The period of duty varies, depending on the size of the program, the length of the residency, and the number of house staff members.

## About the Workshop

Congratulations on becoming the new chief and senior resident for your program. This appointment will be a rich opportunity for both personal and professional growth.

Through the course of this workshop, you will learn valuable management and leadership skills to support your additional responsibilities. Each session has been purposely selected to highlight a unique aspect of your chief and senior role.

I hope you find the day to be informative, and wish you much success in the year ahead.

G. Ross Walker, MD, FRCSC, FACS  
Associate Dean, Postgraduate Medical Education
