Approved by Admissions Committee: September 16, 2021, September 14, 2023, February 9, 2024

Approved by MD Program Executive Committee: September 24, 2021, November 29, 2023, February 27, 2024

Approved by Faculty Board Executive: October 25, 2021, February 12, 2024

Effective Date: February 27, 2024

The Queen's School of Medicine participates in the centralized application process for Ontario Medical Schools and will only accept applications which are submitted through the Ontario Medical School Application Service (OMSAS). The Admissions Committee will only accept applications from applicants who have met the submission requirements as set out on the OMSAS and our websites for each admissions cycle and must meet the prerequisites for the MD Program and all related and/or applicable programs, pathways or streams, etc. as laid out in our process and procedures. All complete applications are considered and reviewed by MD Admissions for entry into the first year of the program. Applications for advanced standing or transfer are not considered.

In order to be considered for admission to the Queen's Lakeridge Health MD/FM program, applicants must direct their Queen's University admission application to this program.

Offers are binding to the assigned campus and program. See policy AD-09 Transfer Student Policy for further information.

Applicants will be deemed ineligible for admission into the MD Program and all related and/or applicable programs, pathways, or streams, etc. if they:

1. are a current student, past student, or graduate of an Undergraduate Medical Education/MD Program at a Canadian Medical School;

and/or

2. have been required to withdraw from an Undergraduate Medical Education/MD Program (to be assessed on a case-by-case basis).
