

## MD Program

### QuARMS Students Applying to the MD Kingston Program Policy

**Admissions Component:** Policy #AD-10v4

**Supersedes:** AD-10v3

**Lead Writer:** unknown

**Revisions:** August 26, 2021, September 14, 2023

**Approved by Admissions Committee:** October 15, 2020, August 26, 2021

**Approved by MD Program Executive Committee:** May 5, 2021, September 24, 2021, November 29, 2023

**Approved by Faculty Board Executive:** October 25, 2021

**Effective Date:** October 25, 2021

QuARMS students applying to the MD Kingston Program will apply directly to the School of Medicine when they are in their 2<sup>nd</sup> year of undergraduate education for consideration to the next 1<sup>st</sup> year MD Kingston class intake. Applications will only be accepted from QuARMS students who have met the submission requirements as set out by the Admissions Committee.

Students will need to apply directly to the Admissions Committee. Students will not need to apply through OMSAS and will not need to write the MCAT.

All students will be notified of the academic requirements and invited to an interview with the Admissions Committee if those requirements have been met.

All applications are considered and reviewed by the Admissions Committee of the School of Medicine for entry into the first year of the MD Kingston program. Admissions decisions made by the Admissions Committee are final and binding.

Request for deferrals from the QuARMS Pathway into the MD Program will not normally be granted. Consideration will be the decision of the Admissions Committee and would typically only be considered for significant extenuating circumstances. A request to finish your degree would not be considered.

If it is discovered that any application information is false or misleading, concealed or withheld, the application will be disqualified. If it is discovered after an offer of admission has been sent or after the student is admitted into the MD Program, it will be handled as per policy AD-07.
