

Competency Based Medical Education at Queen's University

What can you do now to be ready?

Read the Literature

Read the faculty pamphlet for an introduction to CBME at Queen's and why we are making this change now.

If you would like a copy and don't have one, please [email](#) us!

Activate your Queen's NetID

Your **network identity** to Queen's IT services and new electronic assessments.

NetID Profile Manager

Change your password and manage your account

[Login to manage your account](#)

Other options

[Activate your account](#)

[Forgot your NetID](#)

Forgot your password

- [Step 1: Start password reset](#)
- [Step 2: Complete password reset](#)

Obtain Your NetID:

- Contact your University Department to request your employee NetID (Don't know your department contact? [Email us!](#))
- Activate your NetID by going to the [Profile manager](#)
- [Activate](#) your account and follow prompts
- If you [forget](#) your NetID or [password](#) select the corresponding link

Get Your MedTech Central Login

You can check out the module on how to do that [here](#). | Email healthsci.support@queensu.ca for assistance.

GETTING STARTED IN MEDTECH CENTRAL

- 1 Username and Password
- 2 Get a MEdTech Central Account
- 3 Log in
- 4 My Profile
- 5 Open My Assessments
- 6 Delete an Assessment Task
- 7 Complete an Assessment Form
- 8 Print an Assessment Form
- 9 Get Help

Click each button to view video tutorials and download instructions for each topic.

[Download ALL instructions](#)

[Preview the Regional Preceptor Dashboard \(coming soon\)](#)

Visit the CBME Assessment Guide

Learn more about how to navigate the CBME Online Assessments in more detail [here!](#)

CBME Assessment Guide

DETAILS ▾

Visit the CBME at Queen's Website

Check out the [CBME at Queen's website](#) for lots of useful information

The screenshot shows the School of Medicine website. The header includes the School of Medicine logo and the Queen's University crest. A navigation menu is visible with links for Home, Education, Research, Departments, Hospital Partners, QuARMS, and Giving. Below the navigation menu, there is a search bar and a list of categories including Undergraduate, MD/PhD, Medical Sciences, Postgraduate, CP, CPD, Regional Education, Simulation, Clinical Teaching Centre, and Global Health. The main content area is titled "Postgraduate Medical Education" and "Competency-Based Medical Education". A sidebar menu on the left lists various links, with "CBME" highlighted and a blue arrow pointing to it. The main content area features a photograph of a smiling healthcare professional in a clinical setting.

Attend a Faculty Development Event

You can find your event [here](#). Or [email](#) us for a list of events near you!

Contact the [Program Director or CBME Lead](#) of your training program for:

Information
about how
CBME will be
implemented
in your
specialty

What will
change in the
assessment of
your
residents

How you will
be impacted

How Queen's
can support
you in the
transition

Questions?

We can help!
